No visit to UConn is complete without a visit to the Dairy Bar. Over 200,000 customers visit the Dairy Bar annually to enjoy more than 24 flavors of ice cream created on-site from original recipes from the early 1900s. Try “Jonathan Supreme”, named for the school’s mascot, Jonathan the Husky Dog (vanilla ice cream swirled with peanut butter and chocolate covered peanuts).

Get Dairy Bar ice cream at The Blue Cow in the Student Union

Please contact any member of the Committee if you are interested in hosting next year’s ENUG conference.

A special Thank You! To Janice Christopher for local arrangements and to the University of Connecticut for hosting us this year.

ENUG NEEDS YOU!

Without you, ENUG doesn’t exist. We extend our heartfelt thanks to everyone who contributed to this year’s conference and we ask everyone else to please volunteer to participate in the user group: host next year’s conference, join the planning committee, present a session, moderate a roundtable, or at least help us get the word out. This group is about what YOU do!
